I'm the girl with sad eyes  
You're the boy with warm hands  
It all makes sense doesn't it

I hear a ricochet did  
Almost touch the radar  
Underneath you dress me  
Undress me tonight

Stardust  
Falls on us  
Stardust  
Falls on us

Destiny unfolds in me  
Stretching out her arms  
You can fold me in the middle obscene

Sex a dress I try on  
Loves and kitten and God  
You're a bomb  
About to go off in me

Stardust  
Falls on us

Stardust  
Falls on us

Stardust  
Falls on us  
Stardust  
Falls on us

Stardust  
Falls on us  
Stardust  
Falls on us

Dust becomes of us  
We become dust  
Just becomes of us

I become like dust  
Just becomes of us  
I'm like that

Dust becomes of us  
We become dust  
Just becomes of us  
I am one of us  
I'm like that  
Can come between us

Dust becomes of us  
We become like dust
