Anal evisceration leading to complete rectal prolapse
to feast upon the reversed sphinctral muscles
Hiding beneath the faecal matter the severed anus
rotting the shit drenched body slowly liquefies
I will gut you I will cut you I will spill your rotten innards
then I'll fuck them and I'll suck them I will taste your
putrid rectum
Bite down chew the shit asshole leaking anus split filthy
discharge from the sores faeces covered butchered
whores
Faeces covered butchered whores
Stifling your cries shit rolls down your thighs swamped
in your asshole my body's covered faeces smothered
Wipe it on my face I pick up the pace my balls are
tensing my cum is flying your slowly dying
Wanking off faster on this butchered bastard semen is
leaking your ass I'm biting feels exciting ravaged
assholes inviting, I feed as she watches me.
I'll fuck your putrid anus then take my dick and put it in
your mouth and make you taste your shit
I'll make you suck your shit off my dick I'll make you lick
the filth off it my dick is drenched in faeces stuff it in
again
I will gut you I will cut you I will spill your rotten innards
then I'll fuck them and I'll suck them I will taste your
putrid rectum
Bite down chew the shit asshole leaking anus split filthy
discharge from the sores faeces covered butchered
whores
Rotten make the bitch taste her shit rape her asshole
Festered severed and bleeding anus is split
Rotten make the bitch taste her shit rape her asshole
Festered severed and bleeding waste this fucking
whore
I'll make you suck your shit off my dick I'll make you lick
the filth off it my dick is drenched in faeces from your

Rectum festering slide my cock in once more semen
leaking out of this dying whore
Faecal consuming eat the shit masticate cock is
throbbing touch my dick stimulate
Feeling flesh peeling I orgasm as she spasms semen

seeping from her crack down into her filthy twat
Anally eviscerate my penis infuscate rinsing in her anal
