'Bout that time again
Strange feelin' in the wind
Standin' in this place
Starin' face to face
But we don't see eye to eye
Somehow all the blame is mine
You're doin' nothin' wrong
You say all your trust is gone

Yeah you gotta tell me what you want 'cause I can't see
through your mind
Oh you gotta hit me with it baby show me what's deep
inside

The trouble's got me where it wants me
But that won't be enough to end me
I've said it times before, you ain't gonna walk on me no
more
You really don't know how to treat me
You're lucky you still hung onto me
But next time your luck runs out, and that's the day I'm
walkin' out your door

I'm beggin' baby please
You must believe in me
Hear too many lies
Don't know which way to side
But I tell you I'm the truth
There's a chance for me and you
But you've got to close your eyes
And leave this far behind
