"Firefly Ride"

Can I talk to you again?
Pull you away from all your friends
I've got somewhere for us to go
But if you don't know
Then I can show you
Bring you back tomorrow

Will you let me take you on my firefly ride?
Ten miles high, starlit sky
Will you let me take you on my firefly ride?
Tonight, tonight, tonight, tonight
[repeat]

Heard it a hundred times before
I've got all you'll want and more
So let my hand hold on to yours
But if you don't know
Then I can show you
Bring you back tomorrow

Will you let me take you on my firefly ride?
Ten miles high, starlit sky
Will you let me take you on my firefly ride?
Tonight, tonight, tonight, tonight
[repeat]

So don't worry about
What they're saying now
There's no need to wait
I want you to stay
So don't worry now
Don't have a doubt
I'll give you a night you'll never forget

Will you let me take you on my firefly ride?
Ten miles high, starlit sky
Will you let me take you on my firefly ride?
Tonight, tonight, tonight, tonight
[repeat]
Tonight
