I've played everywhere from New York to Japan  
But nothing in my journey can change this Southern  
man

I know where my heart belongs  
In Carolina singin' songs  
I just wanna be in good ol' Dixie

Just give me the southern culture and the pretty girls  
A code of living in a changing world  
The kind of place to raise a family  
Thank God for good ol' Dixie

Rollin down the highway, finally headin' home  
My tired body's catchin' up where my heart's been all  
along  
I can't wait to see the sights  
Tailgate parties and the football nights  
I'm just proud to be in good ol' Dixie

Just give me the southern culture and the pretty girls  
A code of living in a changing world  
The kind of place to raise a family  
Workin' long and playin' hard  
Late night drinkin' in the backyard  
Home to all my favorite memories  
Thank God for good ol' Dixie

I love my country, I'm a patriotic man  
But I'm at my very best when I'm in the Southland

Just give me the southern culture and the pretty girls  
A code of living in a changing world  
The kind of place to raise a family  
Workin' long and playin' hard  
Late night drinkin' in the backyard  
Home to all my favorite memories  
Just give me Alabama, Mississippi pride  
South Carolina on a Saturday night  
Georgia peaches, Rocky Top Tennessee  
I thank God, oh oh  
I thank God, yea yea

I thank God for good ol' Dixie
