The storm is coming
But I don't mind
People are dying
I close my blinds
All that I know is I'm breathing now

I want to change the world
Instead I sleep
I want to believe in more than you and me

All that I know is I'm breathing
All I can do is keep breathing
All we can do is keep breathing
Now now now now

All that I know is I'm breathing
All I can do is keep breathing

[Repeat 9x]
All we can do is keep breathing

Now
