I don't tell anyone about the way you hold my hand
I don't tell anyone about the things that we have
planned
I won't tell anybody, won't tell anybody
They wanna push me down, they wanna see you fall
down

Won't tell anybody that you turn the world around
I won't tell anyone that your voice is my favorite sound
I won't tell anybody, won't tell anybody
They wanna see us fall, they wanna see us fall down

I don't need a parachute baby if I've got you
Baby, if I've got you I don't need a parachute
You're gonna catch me, you're gonna catch if I fall
(Down, down, down)

Don't believe the things you tell yourself so late at night
You are your own worst enemy, you'll never win the
fight
Just hold on to me, I'll hold onto you
It's you and me up against the world, it's you and me

I don't believe anything, don't trust anyone anymore
But I believe you when you say we're never gonna fall
Hand behind my neck, arm around my waist
Never let me hit the ground, you'll never let me crash
down

I don't need a parachute baby if I've got you
Baby, if I've got you I don't need a parachute
You're gonna catch me, you're gonna catch if I fall
(Down, down, down)

I don't need a parachute baby if I've got you
Baby, if I've got you I don't need a parachute
You're gonna catch me, you're gonna catch if I fall
(Down, down, down)

I won't fall out of love
I won't fall out of...

I won't fall out of love
I won't fall out of...
I won't fall out of love
I won't fall out of...
I won't fall out of love
I won't fall out of...
I'll fall into you

I won't fall out of love
I won't fall out of...
I won't fall out of love
I won't fall out of...
I won't fall out of love
I won't fall out of...
I won't fall out of love
I won't fall out of...
I'll fall into you

I don't need a parachute baby if I've got you
Baby, if I've got you I don't need a parachute
You're gonna catch me, you're gonna catch if I fall
(Down, down, down)

I don't need a parachute baby if I've got you
Baby, if I've got you I don't need a parachute
You're gonna catch me, you're gonna catch if I fall
(Down, down, down)

I don't need a parachute baby if I've got you
Baby, if I've got you I don't need a parachute
You're gonna catch me, you're gonna catch if I fall
down
