### "Something To Cry To"

Step off my porch  
Shuffle right through those leaves  
Well I can't say for sure  
But you've given me back that ring  
And you always said  
You liked the sad ones best  
I know it ain't much  
But it's the best I can do

It's just something to cry to  
It's something to cry to when I'm gone  
Just something to cry to  
It's something to cry to when you're wrong  
Cause baby I'm gone

Well you spin the dial  
But there's nothing that you wanna hear  
Well we talked for miles  
But we've driven down all those years

And you always said  
You liked the sad ones best  
I know it ain't much  
But it's the best I can do

It's just something to cry to  
It's something to cry to when I'm gone  
Just something to cry to  
It's something to cry to when you're wrong  
Cause baby I'm gone

Underneath the way  
Maybe I'm wrong  
Don't look back these days  
Hey

And you always said you liked the sad ones best  
I know it ain't much  
But it's the best I can do

It's just something to cry to  
It's something to cry to when I'm gone  
Just something to cry to  
It's something to cry to when you're wrong  
Just something to cry to  
It's something to cry to when I'm gone  
Just something to cry to  
It's something to cry to when you're wrong  
Cause baby I'm gone  
Cause baby I'm gone  
Cause baby I'm gone  
Baby I'm gone
