The weather says the sun won't shine
And I've arrested my free time
No bottle here to ease my mind
My rationale has just run wild

But when I see your smiling face
I know I would not trade my place
I tell you girl I'm so in love with you

Sometimes I think that you don't see
The difference between you and me
Sometimes you got to let me be

I know the truth will set you free

But when I see your smiling face
I know I would not trade my place
I tell you girl I'm so in love with you

I've been where the sun don't shine
I've been arrested once or twice
A bottle's helped me lose my mind
I've seen it done a thousand times
