Overturn the deficit  
lost love's savings account  
phoney democracy  
and we'll do as we please

high time to teach you how (3x)  
it's about time we did

overturn the deficit  
your money's never enough  
bad dreams are cheap as hell  
mine aren't  
cause i'm clean

high time to stitch you up (6x)  
high time to stitch

it's time to teach you how  
high time to stitch you up  
it's time to teach you how

it's about time we did (4x)

overturn the deficit
