Sucks !

Face  
And stages now  
You're soberized  
Can tale...  
Sucks !

So lay  
And cry beside me and  
Until i get another explanation  
Dead end  
Sucks !

So show  
The way  
I've lost  
My way out  
Here...

So show  
The way  
I follow you...  
I've lost  
My way out  
Here...

Heal  
The pain inside  
Your pain uprise  
A waste  
Sucks !

So when  
This life becomes my friend  
It seize you could try a little harder  
You can  
Sucks !

It's o...  
Know...  
I lost

My way out  
Here...

So show  
The way  
I follow you...  
I lost my way out  
Here...  
Yeah !  
So show...  
The way...  
I've lost  
My way out  
Here...  
So lead  
The way i follow you

I lost my way out here ( 3X )

Yeah... yeah... yeah...  
Lost my way out here  
Yeah... yeah... yeah...  
Lost my way out here
