Twisted and turned on the hook of ifnorance  
Time and time again it made me bleed  
Common people ordinary lives to live

Everybody's bing what the're told to be  
It's like printing people for your companies  
Word for word gave words to me so i could see  
Thru it all it wasnt easy  
You know that i

I am no one else  
Where i am, i know that i can  
Still i'm no one else  
No complaints i am still smiling  
There is no one else  
Diciplines and memories yet gracefully i've made  
Myself to tell

Keep the violence in the mind where it belongs  
Everywhere i go, i see the need  
People swirling in a cesspit of their own  
Making leaves 'em off and on and dizzy i say

I am no one else  
Where i am i know i can  
Still i'm no one else  
A sensitive icnoclast  
There is no one else  
Disciplines are memories yet gracefully i've made  
Myself to tell

I am no one else  
Where i am, i know that i can  
Still i'm no one else  
No complaints i am still smiling  
There is no one else  
Diciplines and memories yet gracefully i've made  
Myself to tell

To tell (4x)
