splat on the ceiling
shaping a tear
unhappy with the slightest stain on your soul
flooded with choices
you narrow your way
so people will love you
some people you'll see

I've been waiting patiently
dreaming for the day to come
I've been trying endlessly
searching for the remedy

the zeros are laughing
romance was a thing
unhappy to be first again
i don't know
no malice of forethought
a genius rhyme
you know when you're lucky
when you're in a band

I've been in the fog too long
dreaming of the day to come
I've been trying endlessly
searching for the remedy

I've been waiting patiently
dreaming for the day to come
I've been trying endlessly
searching for the remedy

"pada siapa aku mengadu pada dirimu"
"hatiku sedih bercampur pilu" - P.Ramlee

I've been waiting patiently
dreaming for the day to come
I've been trying endlessly
searching for the remedy

I've been in the fog too long
dreaming of the day to come

I've been trying endlessly
searching for the remedy

searching for the remedy (2x)

"hanya hidupku gelisah" - P.Ramlee

catching on to suddenly

"hanya tuhan ku berserah" - P.Ramlee

catching on to suddenly (2x)

I've been acting weirdly, catching on to..
suddenly.

I've been acting weirdly (2x)
catching on to..
suddenly. (14x)
