Feel me
Love me -
Love
Love
Love and feel me - love me again.
Love
Love
Love and feel me - love me again.
Feel me
Feel me - vibrations surround me

Love me
Love me - sensations beside my way.
Feel me
Feel me - turn on my desire

Free me
Free me - with the might of your love.

Love
Love
Love and feel me - love me again. . . .
Feel me
Love me - feel me
Love me.
I touch your face
Feel your embrace
I'm lost to you whatever you do. - Love me
Feel me
Don't say a word
'cause it could hurt

Let me believe
You'll never leave. - Love me
Feel me
Love
Love
Love and feel me - love me again.
Feel me
Feel me
Turn on my desire

Free me
Free me
With the might of your love.
Love
Love
Love and feel me - love me again.
Love
Love
Love and feel me - love me again.
