When I look into your eyes
Seems like you're kinda hypnotized
And you're this perfect looking guy
Don't know whether to laugh or cry
You're irresistible
You're unbelievable
Which is strange,
Cause I don't know you at all
And I'm not sure if I want to
Cause I'm so deep in love
With my illusion of you
Afraid I won't like what I'll find
That you're not what I picture in my mind
I leave it behind

[Chorus]

I'm in love with your smile
I'm in love with your style
Wish it could stay the way it is
I'm in love with you so far boy
I'm gonna leave it just like this
All I want you to be
Is the boy in my dreams
Wish you could stay away from me
Then you won't disappoint me
Baby you'll be everything I need

Maybe we were meant to be
Boy the temptation is killing me
But if we come to close I fear
That one day this magic will disappear
Still kinda curios
If this little crush
Maybe could turn into something serious
But I don't want you to know me

I'm afraid you're in love
With your illusion of me
Afraid you won't like what you'll see
Maybe I'm not the kind of me
You want me to be

[Chorus]

Iâ'm in love with your smile
Iâ'm in love with your style
Wish it could stay the way it is
Iâ'm in love with you so far boy
Iâ'm gonna leave it just like this
All I want you to be
Is the boy in my dreams
Wish you could stay away from me
Then you wonâ't disappoint me
Baby youâ'll be everything I need

The less I know about you
The more I can love about you boy
Thatâ's why I love
Everything about you right now

[Chorus]

Iâ'm in love with your smile
Iâ'm in love with your style
Wish it could stay the way it is
Iâ'm in love with you so far boy
Iâ'm gonna leave it just like this
All I want you to be
Is the boy in my dreams
Wish you could stay away from me
Then you wonâ't disappoint me
Baby youâ'll be everything I need

Youâ're irresistible
Youâ're unbelievable
