The storm is coming but I don't mind  
People are dying, I close my blinds

All that I know is I'm breathing now

I want to change the world  
Instead I sleep  
I want to believe in more than you and me

But all that I know is I'm breathing  
All I can do is keep breathing  
All we can do is keep breathing now

All that I know is I'm breathing  
All I can do is keep breathing.  
All we can do is keep breathing

All we can do is keep breathing  
All we can do is keep breathing  
All we can do is keep breathing  
All we can do is keep breathing  
All we can do is keep breathing now
