Don't you worry there my honey We might not have any money But we've got our love to pay the bills

Maybe I think you're cute and funny Maybe I wanna do want bunnies do with you if you know what I mean

Oh lets get rich and buy our parents homes in the south of France Lets get rich and give everybody nice sweaters and teach them how to dance Lets get rich and build a house on a mountain making everybody look like ants From way up there, you and I, you and I

Well you might be a bit confused And you might be a little bit bruised But baby how we spoon like no one else So I will help you read those books If you will soothe my worried looks And we will put the lonesome on the shelf

Lets get rich and buy our parents homes in the south of France Lets get rich and give everybody nice sweaters and teach them how to dance Lets get rich and build a house on a mountain making everybody look like ants

From way up there, you and I, you and I

Lets get rich and buy our parents homes in the south of France Lets get rich and give everybody nice sweaters and teach them how to dance Lets get rich and build a house on a mountain making everybody look like ants From way up there, you and I, you and I
