do you remember the walls fell  
do you remember the sound that the door made  
when you closed it at me  
do you know that i went down to the ground  
and landed on both my broken hearted knees  
i didn't even cry  
cause pieces of me had already died

chorus:

i'm a ghost, haunting these halls  
climbing the walls that i never knew were there  
and i'm lost, broken down the middle of my hard heart  
i'm broken down the middle of my hard heart  
you know you make me a ghost

i'm an invisible disaster  
i keep trying to walk on my feet  
don't find the sound, the ground  
it's like living in a black dream  
i keep trying to scream  
but my tongue has finally lost its soul  
tried to say goodbye  
to the pieces of me that have already died

chorus:

i'm a ghost, haunting these halls  
climbing the walls that i never knew were there  
and i'm lost, broken down the middle of my hard heart  
i'm broken down the middle of my hard heart  
you know you make me a ghost

oh you make me ghost  
you make me a ghost  
you make me a ghost

i don't cry, i don't try anymore  
and i'm lost, broken down the middle of my hard heart  
i'm broken down the middle

i'm a ghost, haunting these halls  
climbing the walls that i never knew were there  
and i'm lost, broken down the middle of my hard heart  
i'm broken down the middle of my hard heart  
you know you make me a ghost
