The snow is snowing, the wind is blowing
But I can weather the storm
What do I care how much it may storm
I've got my love to keep me warm
I can't remember a worse december
Just watch those icicles form
What do I care if icicles form
I've got my love to keep me warm

Off with my overcoat, off with my glove
I need no overcoat, I'm burning with love
My heart's on fire, the flame grows higher
So I will weather the storm
What do I care how much it may storm
I've got my love to keep me warm
I've got my love to keep me warm

Off with my overcoat, off with my glove
I need no overcoat, I'm burning with love
My heart's on fire, the flame grows higher
I will weather the storm
What do I care how much it may storm
I've got my love to keep me warm
I've got my love to keep me warm
I've got my love to keep me warm
