eyes on the prize
and i can't capsize this time
cuz they're somebody else in my boat

used to live alone in a tomb
i made my own
but now i've gone
and given up my cool

and its cold outside
but i'm just fine
you are mine
to keep warm

down down down i go
on a road that i don't know
but i aint got a thing in my bag

somethings you cannot plan
like your hand in mine
just put your hand in mine

and its cold outside
but i'm just fine
you are mine
to keep warm

yeah its cold outside
but i'm just fine
you are mine
to keep warm

sables and wine till the end of time
oh you give me much more than that
diamond rings and beautiful things
oh you give me much more than that

when you smile
you are mine to keep warm

and its cold outside
but i'm just fine

you are mine
to keep warm
