You're in the mood for love
You're in the mood to dance
You're in the mood for a little romance
You're in the mood for love

I see you've pressed those pants
I see you've styled that hair
There doesn't seem to be much of it there
You're in the mood to dance

Can I have this chance
To be your little romance?
Can I have the stance?
I am in the mood for love

I am all dressed up tonight
I've waited all night long
When will they finally play your song?
I am in the mood to dance

Can I have this chance
To be your little romance?
Can I have the stance?
I am in the mood for love
I am in the mood for love

If it's the only chance I get
If it's the only chance then get
Ready to throw your shoes away
For I will sweep, sweep, sweep

You're off your feet
I will sweep, sweep, sweep
You're off your feet
To be your little romance

Can I have this chance
To be your little romance?
Can I have the stance?
I am in the mood for
You are in the mood for me
We're in the mood for love
