Sing oh
Sing oh
Tomorrow you will know there's no day better than
today
We don't see how lucky these days are til they go away
Til these days go away

Gotta live it with love
Again again again
Sing oh
Gotta live it with love
Again again again
Live it with love
Again

Tomorrow you will know there's no better than today
We hold up and fall down these days are fading all
away they're fading away

Gotta live them with love
Again again again
Live em with love
Again again again
Sing oh
Sing oh

Gotta live it with love
Again again again
Live it with love
Again

How'd we get so far
Far from who we really are

Gotta live it with love
Live it with love
Again again again

Sing oh
Sing oh

Gotta live it with love
Again again again
Live it with love
Again again again
Sing oh
