It was a blast
But we survived
Now make it last
That's twice as hard

We've only just begun, my baby
Only just begun or maybe it's already done

Ooh oh

We tried to fight
But no one won
Now make it right
That's twice as hard

We've only just begun, my baby
Only just begun or maybe

All this is madness please remember
All this is madness
Please forget

We've only just begun, my baby
Only just begun or maybe
It's already done

Now take my hand
And tell me now
Just who I am
Three times as hard

We've only just begun, my baby
Only just begun or maybe
It's already x3
Doooone

Oh oh
No one knows how this will end
