Complete Me lyrics

By: Inhabited

No one to turn to, I feel so alone  
Never been so lost or empty inside  
I wish I could feel You  
Just hear Your voice  
I'm desperate in calling I'm waiting for You

I need You I need You I need You to fill me  
You're the only one who understands me  
I need You I need You I need You to fill me  
Oh God I'm waiting

Seems like I stand up to be knocked down again  
My pain 's become, oh my closest friend  
Im broken in pieces  
Pick me up again  
They're pushing me they're pushing me over the edge  
And I

I need You I need You I need You to fill me  
You're the only one who understands me  
I need You I need You I need You to fill me  
Oh God I'm waiting

(You're the only hope I have  
I'm falling, but I'm trusting in You  
Ooh ooh well how long, how long)

(how long) must I wait for You?  
Must I wait, I will wait for You

I need You I need You I need You to fill me  
You're the only one who understands me  
I need You I need You I need You to fill me  
Oh God I'm waiting for You and I

I need you I need you I need you to fill me  
You're the only one who understands me  
I need you I need you I need you to fill me

Oh God I'm waiting - For You.
