

Inhabited "Hush"

Visit "[Hush](#)" on MotoLyrics.com

Hush goodnight
I'll kiss you goodbye
To every thought that's destroying my life
Hush goodbye, I'll walk in the light
Go away, don't come back
I'm saying goodbye

Where my girls at that are sick and tired
Of buying into all the same old lies
Cause sooner or later it will catch up to you
I know you want to change but you don't know what to
do
You say... Where my girls at
Tell me where my girls at you say... Where my girls at
Tell me where my girls at

I'm not gonna listen, I'm saying goodbye
I'm not gonna listen, cause you're taking my life!
I'm not gonna listen, I'm saying goodbye
I'm not gonna listen, cause you're taking you're taking
my life!

The mind works like stop, play, rewind
The junk we let in will affect of in time
And sooner or later no, we're not the same
The voices in our head, yeah they're driving us insane

Where my girls at
Tell me where my girls at
Where my girls at
Tell me where my girls at

I'm not gonna listen, I'm saying goodbye
I'm not gonna listen, cause you're taking my life!
I'm not gonna listen, I'm saying goodbye
I'm not gonna listen, cause you're taking you're taking
my life!

Where my girls at, let me hear ya if you don't care
Where my girls at, let me hear ya if you're out there
Where my girls at, let me hear ya if you don't care
Where my girls at, let me hear ya if you're out there

Where my girls at that are sick and tired

No we're not gonna listen, we're saying goodbye
We're not gonna listen, cause you're taking my life!
We're not gonna listen, we're saying goodbye
We're not gonna listen, cause you're taking you're
taking

No, we're not gonna listen, we're saying goodbye
We're not gonna listen, cause you're taking my life!
We're not gonna listen, we're saying goodbye
We're not gonna listen, cause you're taking you're
taking our lives!

Where my girls at, let me hear ya if you don't care
Where my girls at, let me hear ya if you're out there
Where my girls at, let me hear ya if you're out there
Where my girls at, let me hear ya if you're out there
