Have you ever wished upon a star  
You could be someone else  
Besides who you are  
Have you ever wished upon a star  
You could wake up and find yourself dreaming again

Oh I've been there before  
When I kept running from myself  
All I could do was say

I'm stuck in between the walls that confine me  
Won't You let me out  
When I let go and let You take control  
I give You everything, everything I am

Have you ever wondered why you  
Find yourself looking in the mirror again  
Oh and nothings changed you're still the same  
You're picking up the pieces you tossed in the wind  
They're coming back again  
Oh I've been there before  
When I kept running from myself  
All I could do was say

I'm stuck in between the walls that confine me  
Won't You let me out  
When I let go and let You take control  
I give You everything, everything I am

Oh, I put my trust, I put my hope in You my God  
Oh, it's not this way  
It's not that way  
I'm finding for myself  
It's not this way  
It's not that way, away

I'm stuck in between the walls that confine me  
Won't You let me out  
When I let go and let You take control  
I give You everything, everything I am

And I'll wait for You

I'll wait for You
