It's a beautiful mystery
The power of Your grace
The way a life can change

And when You call my name
I feel Your love break through
You keep reminding me
That all I need is all of You

Would You fall on me like the pouring rain?
Would You move me now until I'm changed?
I need You, oh, how I need You
Now I'm falling down to my knees
And I'm crying out, forgive me please
I need You, oh, how I need You

And You know what road I'm on
You know my deepest fears
You're always listening

My life is Yours today
There's nothing left to lose
You keep on calling me
And all I need is all of You

Would You fall on me like the pouring rain?
Would You move me now until I'm changed?
I need You, oh, how I need You
Now I'm falling down to my knees
And I'm crying out, forgive me please
I need You, oh, how I need You

Would You fall on me like the pouring rain?
Would You move me now until I'm changed?
I need You, oh, how I need You
I'm falling down to my knees
And I'm crying out, forgive me please
I need You, oh, how I need You

Would You fall on me like the pouring rain?
Would You move me now until I'm changed?
I need You, oh, how I need You

Now I'm falling down to my knees
And I'm crying out, forgive me please
I need You, oh, how I need You

I need You, I need You
I need You, I need You
I need You, I need You
I need You, I need You
I need You
