The tree
That wanted to be
A beautiful book
It would die
If that's what it took...aahhh
The sand
That went to see
So much more
Help the blind
Find what they were looking for..aahhh

The bird
Who could sing
A soothing tune
To wake the dead and let life back in...aahhh

Well everything's
Full of dreams for one thing...woo hoo and
everything's
Full of dreams for reasons...woo hoo

In the shade
Of the woods
Sat a bear
Who wanted to be
A poets coat... aahhh
Another tree
Who wanted to be
A sturdy boat
On the gentle sea...aahhh
Well everything's
Full of derams for one thing...woo hoo
And everything's
Full of dreams for reasons...woo hoo Everything's
Full of dreams

There was a book that took the world by storm a
writer's sight found and written down
A fur coat...a sturdy boat... a sprouting shoot... a
sprouting soul... and still the quill... goes on and
on...and still
The quill goes on and oooooooooooooon

Well everything's
Full of dreams for one thing...woo hoo
And everything's
Full of dreams for reasons...woo hoo
And everything's
Full of dreams for one thing Woo Hoo...
So keep dreaming
