All I need is a Bitter Song
To make me better
Much better

All I need to write is a Bitter Song
To make me better
Much better

Mmmm Mmmm Mmm
Mmmm Mmmm Mmm

It found me
To hold me
But I don't like it at all
Won't feed it
Won't grow it
It's folded in my stomach
It's not fair
I found love
It made me say that
Get back
You'll never see daylight
If I'm not strong, it just might

All I need is a Bitter Song
To make me better
Much better

All I need to write is a Bitter Song
To make me better
I feel better
I feel better
