Soft Parrlet breaking,  
Lost in aisles of white,  
Corridoes are shaking,  
And I can see the Light,

Waiting for something,  
Waiting for someone,

Waiting for something,  
Waiting for someone,

Please release me,  
I can barley breathe,  
I watch the ground beneath me,  
No more the want to be,

Waiting for something,  
Waiting for someone,

Waiting for something,  
Waiting for someone,

Don't fall we could have had it all,  
Another breath you're taking,  
Slow rise your love is suicide,  
This heart is slowly breaking,

Waiting for something,  
Waiting for someone to arrive,  
Waiting for something,  
Waiting for this day to arrive,

Your hands upon me never give away,  
Temptaiton haunts you,  
Your hand upon me never give away,  
Its walks besides me always,  
Besides me always,  
Besides me always,

They're calling you from heaven,  
To walk towards the light,

Hey, wait this time it's not too late,  
To stop this ship from sinking,  
Don't go so much you didn't know,  
It's never what you're thinking,

I've waited for something,  
Waited for someone to arrive,  
I've waited for something,  
Waited for this day to arrive,

Your hands upon me never give away,  
Temptation haunts you,  
Your hands upon me never give away,  
I've waited for something...
