Were you holding father's hand?  
Did your mother bleed  
And Understand  
How your whole life slipped away?  
Fading under grade  
Did the world around you fail?  
And were you hiding for us all to see?  
Did the world around you fails  
When it all comes down on me

Is it dark within your mind?  
Does your body ache for love sometimes?  
Is it cold within your room?  
Did you pray they'd come back with you?  
Did the world around you fail?  
When it all come down on me

The answer's  
Always here  
Beneath your skin

I'm not  
Coming down  
Does it feel like this?  
Sometimes  
When the world stops turning  
Long before they knew  
Does it feel like this?  
Sometimes  
When it all stops working  
Now

It's alright  
It's alright  
It's alright we don't have to think about it

It's alright  
It's alright  
It's alright we don't have to talk about it

Ahuh, ahuh, ahuh we don't have to think about it

Ahuh, ahuh, ahuh we don't have to talk about it

Talk about it

It's all you ever need

The answer's  
Always here  
Beneath your skin

I'm not  
Coming down  
Does it feel like this?  
Sometimes  
When it all stops working  
Long before they knew  
Does it feel like this?  
Sometimes  
When the world stops turning around

It's alright  
It's alright  
It's alright  
It's alright now  
It's alright  
It's alright now  
It's alright
