I'm all alone on the road,
This High water tide underneath the flood,
In deserts of dust if I must i will stand,

These are my promises,

I hope you're winning the war,
To make everything like it was before,
All that we were we can still be again,

I swear,

I'm afraid you're gone,

I don't want you,
I don't want you to go,
I've got the sun in my eyes,
I didn't see you passing me by,
I just want you,
I just want you to know,

Inside of me forever you'll go,

Now I just want to go home,
Carried by all that was ever known,
Held in these hands if I must I will stand,

Given these promises,

Now i've been running too long,
These feet are too tired to carry on,
Weighing us down if you're gone I will drown,

I'm afraid you're gone,

I don't want you,
I don't want you to go,
I've got the sun in my eyes,
I didn't see you passing me by,
I just want you,
I just want you to know,

If forever exists,
Inside me forever you'll belong,
If forever exists,

I've got the sun in my eyes,
I didn't see you passing me by,
Now i've been running too long,
To carry on,
I don't want you,
I don't want you to go,
I've got the sun in my eyes,
I'm afraid you're gone,
If forever exists,
Inside me is where you'll belong,

If forever exists....
