If I find that love I've known before...I will never ever
Never ever let it go

If
I find
That love I've known before
You know I could never let it go
Away
Not again this time
I could never let it go

Ohh
Another song about love
Gone right
Ooh
But my stories are to sweet!

If
I find
That love I've known before
You know I could never let it go
Away
Not again this time
Ah ah never ever
I could never let it go
Away
Not again this time
I will never let it go
Ohh
How about a 'round of applause
For love
Aah...I loved the show and loved the cast.

One thing
The end
It surely seemed blue.

If
I find
Tht lvoe I've known before
You know I could never let it go
Away

Not again this time
Ah ah never ever
I could never let it go
No!
Away
No! not again this time
I could never let it go

Ohhhh
Never ever
Ohhh
Never let it go ohhhh
What so ever now
No no no no no nono no...never ever
No no no no...what so ever now
