Love in the city
We step at the same time
Stand over subways
Savor the same taste
I know you know
We only have this day left
It can rain, it can pour down
I know you know
How long have we waited?

I won't let the weather turn on my temper
Oh, I won't let the weather steal all of my thunder
Oh, I won't let the weather ruin all this pleasure

I don't need to see it
I know that it's out there
Love under warning
Give me my morning back
I know you know
How long have we waited?

I won't let the weather turn on my temper
Oh, I won't let the weather steal all of my thunder
Oh, I won't let the weather ruin all this pleasure
Ruin all this pleasure

Don't say the day is over
Let's go back to bed
I won't let you down

I won't let the weather turn on my temper
Oh, I won't let the weather steal all of my thunder
Oh, I won't let the weather ruin all this pleasure
Let's go back to bed
