Hey people another clown is talking
Yake Yake hay hay
What did the joker say
Excuse me, I don't mean o'be rude no
I'm a gettin' sick of Tricky Dick and the rhetoric
Just read my lip
So help me I don't wanna be crude now
any sugar mouth, who come shout, I will doubt
So jus cut it out
Is a good thing we read ya play
Now we see you don't mean what you say
hay hay hay

Chorus

Now we won't be like the King and his garment
We will sing everything
Man ya ears going ring
And tell them if they looking for me yea
I'm the youth drinking roots in a Bally boots
and a custom suit
Tis a lucky thing we know the runnings
Say say say, is a game that ya play
hay hay hay

Chorus

Excuse me I don't mean o'be rude no
I'm getting sick of Tricky Dick and the rhetoric
Jus read my lip
So help me I don't wanna be crude no
Any sugar mouth, who come shout, I will doubt
So jus cut it out
Is a lucky thing we read ya play
Now we see you don't mean what you say
hay hay hay

Chorus
