There's a hole in the pumkin
This must be Halloween
And if it wasn't one thing
This Dread would scream
I'm telling you something
About this system
If it ain't one thing
Tis eleven others
Don't think I'm joking
S'not what I'm smoking
Just that the money not running
Ask Mamas and Papas

Chorus

Heard a voice saying Dreadlocks, Wha!
Whatcha talking bout
S'not a fiction it is a fact
From the horse's mouth
Them elements rockin'
Me little boat on the sea
Now I catch them playing politics on me

Chorus

They had me struggling
So I started juggling
Then them come meddling
In I man business
A don't want no DoDo
Come treat me like yoyo
And when me life get soso
They run away to Accapulco

Chorus
