ROUGH - just knew you'd say that
ROUGH - understandable
ROUGH - do you want to play that
ROUGH - Indeed, Indeed, Indeed

Gimme your attention
Here's the latest nes
For your own protection
Don't choose what might lose
Now we're making the headline
Internationally
Girls tak the soft line
and boys are contrary

What ya think about that ?

ROUGH - just knew you'd say that
ROUGH - sounds reasonable
ROUGH - do you want to play that
ROUGH - Indeed, Indeed, Indeed

Feeling the crush groove yeah
Excuse the rush
If ya get hit on the move yeah
All I can say is hush
The Nostra Damus predicting
Better hold on good
Hay now ya have us depicting
Better knock three times on wood

ROUGH - just knew you'd say that
ROUGH - understandable
ROUGH - do you want to play that
ROUGH - Indeed, Indeed, Indeed
