Wandering in lands of an unknown illusion
Tales of instigation cleaves the might of your sorrow

Prostration and suppression is gathering as mist
Creating the illuminated darkness

Chaos has been awaked
Revealing the horrifying truth of long forgotten times

Dark rays of cosmic infinity
Engulfing a once majestic world
Conquering the deep mountain of life
Another world is yet to be born

Retained for numerous generations
In spheres of enlightenment
Wielding the rage of nature
Replacing the unceremonious throne:
