Succumb to substantial decisions  
Subtle incisions done with precision  
Under the knife dormant you lie  
With a glaring spot in your hazy eyes

Hoses, tubes stick and funnel  
All goes up your rectal tunnel  
Anus gushes haemorrhoidal sludge  
The maggots breed within the fudge

Plastic bags with piss and shit  
Rent and forced between your lips  
Wolfpack in a white disguise  
And a mongoloid to supervise

Palsied hands clasp a twisted gland  
Split dissection, grizzled detruncation

Probed and interloped with cameras and microscopes  
Sliced upon the table of science  
Sampled and tested for everything suggested  
Subject to forensic alliance

Hoses, tubes stick and funnel  
All goes up your rectal tunnel  
Anus gushes haemorrhoidal sludge  
Maggots breed within the fudge

Scalpel slithers, bloodcells wither  
Scissors ploughing through your skin  
Blood foundates in a pool around you  
Eager flies are diving in

Mutual activity in a circle around you  
The peeling of flesh seems endless

Confronted with defiant of anatomy  
The peeling of flesh seems endless

Probed and interloped with cameras and microscopes  
Sliced upon the table of science  
Sampled and tested for everything suggested

Subject to forensic alliance

Hoses, tubes stick and funnel

All goes up your rectal tunnel

Anus gushes haemoroidal sludge

The maggots breed within the fudge
