I'm on the radio

I wanna show you the light of fire

follow me over the world tonight

I'm ready

take me baby get my fire

I don't wanna play alone

are you ready to have some fun

now I wanna count with you

100

I really wanna be free

it's like a sun into your life

100

I'm getting crazy

moonlight shining on you baby

100

I wanna sing it for you

it's like a sun into your life

100

I'm gettin' crazy

moonlight shining on you baby

now is the time to go

show you can follow me with desire

over and over get wild tonight

get ready

take me baby get my fire

I don't wanna play alone

are you ready to have some fun

now I wanna count with you

100

I really wanna be free

it's like a sun into your life

100

I'm getting crazy

moonlight shining on you baby

100

I wanna sing it for you

it's like a sun into your life

100

I'm getting crazy

moonlight shining on you baby

follow me over the world tonight

I'm ready
