When you get to the top, you ever been to the top?
Just listen, let me tell ya, hear what your missin', shut
up and listen.

In the beginning you get crazy, spending all the money
you got.
No more women to love you now, you gotta go and
leave town.

Back on the rocks, back on the rocks!
Be there! You got to keep your mind together.
Back on the rocks, back on the rocks!
Be there! You gotta go and live forever.

When your back on the rocks, it means you've been to
the top.
Just listen (to) the fact boy, given the fact of (it) could
be all gone.

In the beginning you get crazy, spending all the money
you got.
No more women to love you now, you gotta go and
leave town.

Back on the rocks, back on the rocks!
Be there! You got to keep your mind together.
Back on the rocks, back on the rocks!
Be there! You gotta go and live forever.

Back on the rocks, back on the rocks!
Be there! You got to keep your mind together.
