Wanna keep me cool and face your cleverness and
your powerful engine
I see the crowd exciting for me tonight over and over...

** I just wanna be the leader
Ready to win you!
Forever at full speed step on the gas tonight
It's right **

Got the fire of the Grand Prix
Grippin' my steering wheel so tight
Gonna be a lucky Grand Prix
Ready to cross the line in the end ##

Repeat ##

I just wanna be the champion
Tonight a race it's gonna be started
Get ready now! a roaring success for me
I really like it!

Repeat ** ## ##

Got the fire of the Grand Prix
Grand Prix
Ready to cross the line in the end

Repeat ##
