Concentrate and dry my eyes,
But I'm still weighted down,
By this soul that's taken flight.

Sight unseen,
But hear the sound of footsteps on the floor.
Bloodstained eyes;
They sting so bright.

Slowly, slowly,
Almost deliberately.
Feel the tension sliver.
Think you've seen this door before?

It's all it was,
And even more.

Try to sleep, just try to breathe;
Silence I can't believe.

Intoxicated,
Absent minded,
Won't you see?
Am I blind?

All I want is someone who'll wake me up,
Kiss my head, don't break me up.
But she tears at me inside.
