Could you be lost  
Are you so free, do you long to be  
When the sun goes down,  
Do you feel the feelin there's noone near  
You know it's such a mystery how you washed up over  
me  
And I couldn't breathe, I couldn't speak, lest I drown

But it's my kind  
I'll never be cruel and I'll always play the fool  
To be as loveless, as shameless as you.  
But I'm so blind  
I'll do it again I feel your eyes sink in  
So faithless as you've been.

Yes I'm so lost  
I am not free but I long to be  
When life goes down, do you feel as though you're  
gonna drown  
You're going down you're going down

But it's my kind  
I'll never be cruel and I'll always play the fool  
To be as loveless, as shameless as you.  
But I'm so blind  
I'll do it again I feel your eyes sink in  
So faithless as you've been.  
Yes I'm so lost, but I'm not free  
Yes I'm so lost, but I long to be  
But I long to be

But it's my kind  
I'll never be cruel and I'll always play the fool  
To be as loveless, as shameless as you.  
But I'm so blind  
I'll do it again I feel your eyes sink in  
So faithless as you've been.

But it's my kind  
I'll never be cruel and I'll always play the fool  
To be as loveless, as shameless as you.  
But I'm so blind

I'll do it again I feel your eyes sink in  
So faithless as you've been.
