Let me explain, the feelings I get so unrestrained;
abandoned.

I sit and I contemplate how an angel left to his own
devices,
Can't help but feel reckless and indecisive.

This is love, as I see it.

Ruby, you're my angel.

I've been crushed under the weight of these years.
How have I known that you've always been there?

Still a mystery, unknown to me.

You're beautiful and so almost free sometimes you
seem
the better half of me.

But a brief candle for my memory, of a thousand lost.

Were you ever meant to be?
