

## Injected "Senseless"

Blasphemy fills my head.  
Repentful dreams, I scream to the dead.  
Justify the urgency;  
It takes more time to heal where I bleed.

Want,

Know,

Need.

Burn,

Break,

Bleed.

This brings us closer.

Days like these seem to fill me with a most unholy  
grace.  
Talk to you, forget my part;

This thing I drowned,  
In my broken heart.

A stain on my senses that won't come clean.  
This is a break I've already seen.

I scream to no end:

Cry for me,  
Before I bleed to death.

Touch my filthy heart.  
Cleanse my fears, cleanse my fears,  
Help me start.
