

The Butterfly Effect

"Butthole Surfers' Theme Song"

Visit "[Butthole Surfers' Theme Song](#)" on MotoLyrics.com

I was walkin' down around Venice way
Los Angeles
Oh big California
A man came up to me
About 40, gay
I say
"Go away...OK...No way...AGGGHHHHHHHGH"
BUTTHOLE SURF!! etc.
I was ridin' wave
around Malibu beach
A guy came up to me
He was lookin' like a leech
He said "Hey, Sonny boy, can I eat you peach?"
I say "Motherfucker...ifyoureach..
I don't know what I'm goin' to do"
BUTTHOLE SURF!! etc.

I was ridin' my cruiser in West Hollywood
A girl came up to me and she was lookin' mighty
good...
I was eating quaaludes like butthole surfers should
She left me there where I stood
BUTTHOLE SURF!! etc.

HEY BUTT
WHAT THE FUCK
WE ALL LIKE YOU
'CAUSE YOU'RE A SLUT
