A friend in need is a friend indeed
A friend with weed is better.
A friend with breast and all the rest
A friend who's dressed in leather.
A friend in need is a friend indeed
A friend who'll tease is better.
Our thoughts compressed which makes us blessed and
makes for stormy weather.

A friend in need is a friend indeed
My Japanese is better.
And when she's pressed she will undress
And then she's boxing clever.
A friend in need is a friend indeed
A friend who bleeds is better.
My friend confessed she passed the test and we will
never sever.

CHORUS

Days don't end
Skins crawling
Days don't end
Skins Crawling
Days don't end
Skins crawling
Days don't end
Skins crawling
Pure mornin', pure mornin', pure mornin', pure mornin'

A friend in need is a friend indeed
A friend who'll tease is better.
Our thoughts compressed which makes us blessed and
makes for stormy weather.
A friend in need is a friend indeed
A friend who bleeds is better.
My friend confessed she passed the test and we will
never sever.

CHORUS

A friend in need is a friend indeed

My Japanese is better.
And when she's pressed she will undress
And then she's boxing clever.
A friend in need is a friend indeed
A friend with weed is better.
A friend with breast and all the rest
A friend who's dressed in leather.....
