Watching,
And waiting,
A room without a view.
Searching,
Through surgery,
For something,
Lost inside of you.

Stand me up and push me forward.

Staring back in front of me,
Where were you hiding?
Where were you hiding?
I was blind but now I see,
Where you were hiding,
Where you were hiding!

For so long,
Was I so wrong?
Or another casualty?

Stand me up and push me forward.

Staring back in front of me,
Where were you hiding?
Where were you hiding?
I was blind but now I see,
Where you were hiding,
Where you were hiding!

softly
Where were you hiding?
Where were you hiding?

Staring back in front of me,
Where were you hiding?
Where were you hiding?
I was blind but now I see,
Where you were hiding,
Where you were hiding!
