If I didn't care more than words can say
If I didn't care would I feel this way
If this isn't love then why do I thrill
And what makes my head go 'round and 'round
While my heart stands still

If I didn't care would it be the same
Would my ev'ry prayer begin and end with just your name
And would I be sure that this is love beyond compare
Would all this be true if I didn't care for you

MONOLOGUE: If I didn't care honey child, mo' than words can say. If I didn't care baby, would I feel this way? Darlin' if this isn't love, then why do I thrill so much? What is it that makes my head go 'round and 'round while my heart just stands still so much

If I didn't care would it be the same
Would my ev'ry prayer begin and end with just your name
And would I be sure that this is love beyond compare
Would all this be true if I didn't care for you
